

This architectural site plan depicts a residential development. The central feature is a large, light-green hatched rectangular area, likely a lawn or sports field, measuring 140.46 m². To its left is a long, narrow parking lot with 15 spaces, labeled '1518.01 m²'. Adjacent to the green area is a dark grey building with a gabled roof, measuring 140.46 m². To the right of this building is a smaller, dark grey rectangular structure, labeled '113.56 m²'. Further right is a red-outlined rectangular area, labeled '387.35 m²', which appears to be a parking lot or a small building. The plan includes numerous other buildings, some with hatched roofs, and various parking spaces. Dimensions and area measurements are provided for several key sections. The site is bounded by streets: 'HEIMANSKÉHO' to the north, 'ČASLAVSKÁ' to the east, and 'P. J. ŠAFÁŘKA' to the south. The plan also shows surrounding residential areas with individual plots and buildings.
